

INDIANAPOLIS COLTS CLUB SEAT & SEASON TICKET WAITING LIST APPLICATION

If you would like to join the Club Seat or Season Ticket Waiting Lists, you will be required to submit a \$150 (per seat), **non-refundable** deposit. Your Deposit is a one-time fee that will hold your place on the list until Club Seats or Season Tickets become available. If Club Seats or Season Tickets are assigned to your account, 100% of the deposit will be applied as a credit towards the total purchase price for the first season. Making a deposit DOES NOT guarantee that you will receive Club Seats or Season Tickets. You will receive an annual update as to your position on the waiting list.

The Indianapolis Colts Season Ticket Waiting List was created to allow Colts fans an opportunity to secure season tickets and attend Colts games at Lucas Oil Stadium. We have learned that some people are using this waiting list as a means to secure tickets for resale on the secondary market. Please note that each Colts ticket is a revocable license. As such, the Colts may revoke season ticket privileges and may withhold approval of any transaction relating to season tickets, including preventing the renewal or transfer of season tickets. If the Club sees that an account's activity primarily consists of the purchase and sale of tickets on the secondary market, the Club may exercise its right to not permit the renewal of those seats for the following season. Additionally, absent unique circumstances, the Colts typically will not authorize any transactions on the Colts Seat Transfer Marketplace unless the season ticket holder has held the particular tickets in his or her account for a minimum of two consecutive seasons.
